In the Admin Dashboard, the User Management tab allows the administrator to delete any user account.

As shown below, the administrator deleted the user by selecting the user in the GridView and pressing Delete

The image displays two side-by-side screenshots of an 'Admin Dashboard' interface, demonstrating user management capabilities.

Left Screenshot (Edit User):

- System Notifications:** A green banner at the top right indicates 'User deleted successfully!'.
- NAVIGATION:** A sidebar on the left lists options: Reports, User Management, Doctor Management, Doctor Scheduling, Patient Registration, and Appointments.
- Edit User Form:** Fields for User ID (9), Username, Role, Password, and Role (Receptionist) are visible. Buttons for Create, Update, Search, Display, Delete, Cancel, and Generate Password are at the bottom.
- User List Grid:** A table with columns: User ID, Username, Role, Created At, Modified At. The grid contains 10 rows of user data. The row for User ID 9 (Username: dr_gomes, Role: Doctor) is highlighted in yellow, indicating it is the selected user for editing.

Right Screenshot (Create User):

- System Notifications:** A green banner at the top right indicates 'User deleted successfully!'.
- NAVIGATION:** The same sidebar as the left screenshot.
- Create User Form:** Fields for User ID (9), Username, Role, Password, and Role (Receptionist) are visible. Buttons for Create, Update, Search, Display, and Generate Password are at the bottom.
- User List Grid:** The same table as the left screenshot, but the row for User ID 9 is no longer highlighted, indicating it has been deleted.

5. CRUD OPERATIONS APPOINTMENT TAB

5.1. CREATE APPOINTMENT FOR PATIENTS

In the Admin Dashboard, the Appointment tab allows the admin to create patient appointments.

As shown below, the admin created an appointment for patient Emma Wilson to meet with Doctor John Who

The Admin Dashboard interface shows the 'Appointment Management' section. The left sidebar contains navigation links: Reports, User Management, Doctor Management, Doctor Scheduling, Patient Registration, and Appointments. The main area displays a table of appointments with columns: ID, Date, TimeSlot, Doctor, and Patient. The table lists 17 appointments, including the one created for Emma Wilson on 2025-12-07 at 09:00 by Doctor John Who. The right sidebar shows the 'Appointment Management' form with fields for Appointment ID, Doctor, Patient, Appointment Date, Time Slot, Status, and Notes. The 'Create' button is highlighted in green.

This appointment is also added to the database.
